"God's Plan For The Future" is a study available both at [NeverThirsty.org](https://www.neverthirsty.org) and on their Facebook page. For those who have attended the ABF class on Daniel, this study contains some of the charts used in the class. It also will provide anyone interested with a summary of the events God has planned for the future of the world, which also is a good review of what was taught in the class on Daniel. You may access the study at: <https://www.neverthirsty.org/bible-studies/topical-bible-studies/prophecy-of-the-future/>
