“Why Are There So Many Interpretations?”

Problem Existed In Christ's Day

- **In the Sermon on the Mount, Jesus revealed the Pharisees repeatedly had the wrong interpretation when He said, “You have heard.”**
- **In Matthew 22:23-29, Jesus revealed the Sadducees did not know the truth.**
- **Acts 23:6-8 reveals the Pharisees and Sadducees had different doctrinal beliefs.**

Horrible Application Occur

Genesis 37 tells us that Joseph's brothers threw him into a pit and later sold him to some Midianite traders who sold him in Egypt. This is a great story that teaches us that our enemies can attack us and throw us into a pit, but we should not fear because God is the God of comeback and favor. God will never allow us to remain in a dirty pit of depression, despair, and depravity because his purpose is one of blessing, purpose, and breakthrough. It's time to overcome our pits! What is the pit that is facing your life today? Maybe it's a financial pit. Maybe it's an emotional pit. Maybe it's a pit of sickness? Maybe it's a relational pit. Well, prepare yourself while you are in that pit because God is about ready to bring you from the pit to the palace!

***How Can This
Problem Be Avoided
In Bible Study?***

Principle 1:
Be A Believer

Scripture Establishes The Principle

Who is able to understand Scripture?

- **Malachi 2:7-9; 3:16-18**
- **2 Corinthians 4:4-6**
- **1 Corinthians 2:14**
- **1 John 2:20-21; 5:20**

Principle 2:

***Have An Intense Desire
To Know **The Truth*****

Consider

***Man once asked,
“Why do seminary graduates
disagree if they have the same
Holy Spirit?”***

Comon Response To Difficult Passages

- **Seminary students are taught systematic theology.**
- **They do **not** learn all 66 books of the Bible in seminary.**
- **Pastors learn the Bible as they study and teach it.**
- **If they encounter a passage that seems to disagree what they were taught, they often check their systematic theology.**
- **Laymen do the same thing. They look for a systemtatic theology or someone to explain the disagreement.**

Remember #1

***We desparately cling
to what we were first taught.***

Remember #2

We are teachable if we are more interested in the truth than having our beliefs reinforced.

Remember #3

***We must have an intense desire
to know the Truth
to find The Truth.***

How Should We Respond?

- **We must passionately want to know the truth as Peter described in 1 Peter 2:2.**
- **We must be teachable as the Bereans in Acts 17:11.**
